Verses

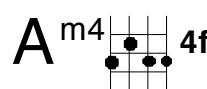

Let's dance,
Let's dance,
Let's dance,

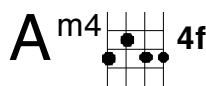

put on your red shoes and dance the blues. Let's
for fear your grace should fall. Let's
put on your red shoes and dance the blues. Let's

dance, to the song they're playin' on the radio.
dance, for fear tonight is all.
sway under the moonlight, the serious moonlight.

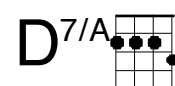

Let's...
Let's
Let's

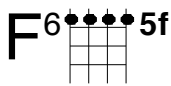

sway,
sway,
dance.

while colour lights up your face.
you could look into my eyes.

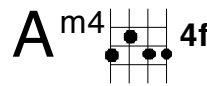

Let's
Let's
Let's

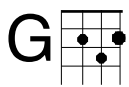

sway,
sway
dance

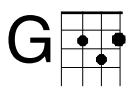

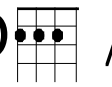

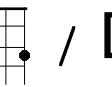

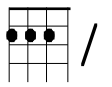

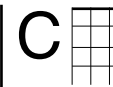

sway through the crowd to an empty space
under the moonlight, this serious moonlight
under the moonlight, this serious moonlight

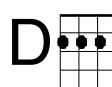

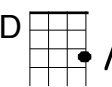

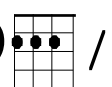

Chorus

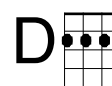

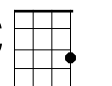

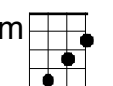

If you say run, I'll run with you.

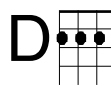

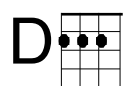

And if you say hide, we'll hide

Because my love for you would break my heart in two.

If you should fall

Into my arms and tremble like a flower
